WAIVER AND RELEASE OF LIABILITY
By signing this application and joining the Tucson Mom's Group (the "Group") I acknowledge that the Group is organized for social, informational and educational purposes only, and is not intended in any manner to be child care or a substitution for my own supervision of my child during Group sponsored activities. With that understanding, my and my child's participation in Group Activities will be solely and strictly personal, voluntary, and without exception on the part of the Group. I further understand and acknowledge that Group activities are unsupervised, and may take place at public or private parks, playgrounds or recreational locations ("recreational areas"). It is my sole and exclusive responsibility to become familiar with the safe and proper operation of any recreational equipment located in any Group used recreational areas, and the safety of the recreational area as a whole, before participating in any Group activities. I understand and agree that the Group shall not be responsible for maintaining (or instructing on the safe or proper use or operation of) the recreational areas or any recreational equipment contained therein. Moreover, I hereby agree to hold the Group harmless for any failure by Group to properly maintain the recreational areas or any recreational equipment contained therein or failure by the Group to instruct, or for any negligent or improper instruction, on the safe or proper use of operation of the recreational areas or any recreational equipment contained therein. I further acknowledge and agree that the Group (and/or any of the Group's founders, owners, affiliates, officers, director agents, members or employees) shall not be liable for any personal injury, death or property damage that I or my child may suffer during or as a result of, any Group activity in which I or my child may participate. By signing this waiver, I am releasing the Group from any and all liability and responsibility relating to any Group activities in which I or my child may participate, including without limitation any personal injury, death or property damage caused by the Group's sole or contributory negligence or gross negligence.
I grant permission to Tucson Moms and any associated affiliates to use my or my child's likeness or image, for publication, either electronically or on paper, for purposes of marketing. Such photos may be published, reproduced, altered, exhibited and copyrighted without further consent from or payment to the undersigned.
I hereby agree to release, defend, and hold harmless Tucson Moms, the photographer and any firm publishing and/or distributing the images in whole or in part, from and against any claims, damages, or liability arising from or related to the use of the images.
